Rehabilitation Day

September 15, 2020

WHEREAS today we acknowledge the life-changing impact that rehabilitation services have made on the lives of residents.

Rehabilitation services that are offered in Toronto allow people to learn to live with their new circumstances and thrive in their everyday lives as they recover from injuries, life-altering events, or age-related conditions.

Today we recognize the rehabilitation professionals who dedicate themselves to helping others, through rehabilitation services.

The day also gives us a chance to acknowledge all those who need this service and educate the public on how rehabilitation services can have a positive impact on the lives of children and adults in our community.

NOW THEREFORE, I, Mayor John Tory, on behalf of Toronto City Council, do hereby proclaim September 15, 2020 as "Rehabilitation Day" in the City of Toronto.

John Tory
Mayor of Toronto
