

## **GTA Rehab Network Best Practices Day**

Presented by Mary Beth Montcalm  
President and CEO, Providence Centre

*February 18, 2004*

Focus more creatively on  
the “back-end” of  
rehabilitation

Adapt rehabilitation better  
to the older adult

Adapt rehabilitation to  
current societal family  
systems

Improve information  
sharing in patient transfers

Decide where to focus  
inpatient rehabilitation
