

## Biography of Presenter – BPD 2012

---

### CONCURRENT SESSIONS SPEAKER:

#### Session 2:

##### **Neil Seeman**

Neil Seeman is CEO of the Health Strategy Innovation Cell, a nonprofit research and consulting unit specializing in disease management and accountability solutions. He is the Founder of The RIWI Corporation, a global intelligence company, and an Advisor to RecapHealth Ventures, Canada's largest healthcare private equity firm. He is the author of four books on health policy, teaches health services management and law at Ryerson, and is a Senior Resident in health system innovation at UofT's Massey College. He has held senior roles in the private and research sectors, and holds degrees from Queen's (BA) the Univ. of Toronto (JD) and Harvard (MPH). He is currently writing a book on a new cult of entrepreneurs around the world.
