

PUTTING PRACTICE FIRST

*Connecting professional practice with
strategy and financial health in a
rehabilitation setting*

PROVIDENCE
Healthcare

Shawn Brady, BScPT, MSc
Director, Interprofessional Practice

Kathryn Walford
Interprofessional Practice Coordinator

TAKEAWAYS

1. Understand how to create a culture that positions professional practice as a primary driver of success
2. Understand the funding formula for rehabilitation and see how improving clinicians' understanding of their role in financial health and strategy improves outcomes
3. See how a practical and fun healthcare monopoly game can engage learners in an innovative way

Healthcare Funding Team Challenge

Version 2.0

RULES

- ▶ Banker & Treasurer at each table
- ▶ Play 3 rounds
- ▶ Team members take turns rolling the dice, move the appropriate spaces, reading the squares as you land on them.
- ▶ The banker/treasurer actions each gain and loss as you play the rounds
- ▶ Don't forget to collect your annual funding as you pass GO if you can and replenish your resources if possible
 - ▶ Flip coin - heads = annual funding, \$2000
 - ▶ Count money in your bank - Excess of \$100,00 = buy more resources
 - ▶ If you are in a deficit, you can redistribute resources

**Winning Team = most funding money & resources
at the end of challenge**
